ALLERGY ALERT: your health and safety is our greatest concern. Percentage Daily Values are based on a 2,000 calorie diet. 2,000 calories a day is used for general nutrition advice, but calorie needs vary. Nutritional information was obtained through analysis by our nutritional software, entitled ESHA Genesis R & D Nutritional Software, and information provided by suppliers. All nutritional information is based on standard ingredient servings, unless indicated otherwise. The nutrition information contained in this section is based on standard product formulations. Variations may occur due to differences in suppliers, ingredient substitutions, recipe revisions, assembly at the restaurant level, and/or the season of the year. Information may be subject to change at any time. This list may not include test products, limited time offers, custom orders, self-service orders and regional menu variations.
